## Cancer Fund for Children Daisy Lodge, Co. Mayo

We opened our first Daisy Lodge at the foot of the beautiful Mourne Mountains in 2014 and, in just five years, we've hosted therapeutic, nurturing breaks for more than 2,140 families from all across Ireland.

However, for every family we support, there are seven we can not help due to the demand for our services.

Therefore, we are building a second Daisy Lodge to ensure all families across Ireland get the vital support they need and we'd like your help.

We're building our therapeutic short break centre - Daisy Lodge, Co. Mayo - on the beautiful shores of Lough Corrib, beside Cong village. It's a tranquil, natural haven of forest, lough shore and, of course, fresh air.

I'm delighted to tell you that we're already on our way - we've finished the building design, received planning permission and purchased the land.

We've taken the first steps. We need your help, which will enable us to support every family affected by childhood cancer across Ireland.

**Together lets make this happen.**
